

Grading Criteria	Narrative & Remediation
Genre Conventions	• Uses clear visual and content markers throughout work to help the reader identify the genre and medium. • Leverages medium/genre and/or visual/content markers to emphasize purpose and connect to audience.
Purpose & Audience	• Reveals major theme(s)/purpose through descriptive language, word choice, and/or genre markers rather than explanation alone. • Where appropriate, provides background information to improve audience understanding.
Organization & Editing	• Ideas and major themes flow cohesively from one unit to the next and build throughout the assignment. • Uses formatting, grammar, and spelling that is appropriate to audience, purpose, and medium/genre.
Revision	• You have revised your work substantially and/or thoughtfully based on peer and instructor feedback.
